

This Week in Ellis Island History

November 18, 1774

Samuel Ellis purchases Little Oyster Island. It would become known as Sam Ellis' Island or simply Ellis Island. Ellis used the island for its namesake oysters, selling them from a shop in Manhattan and opening a tavern on Ellis Island, until his death in 1794.

Ellis Island appears on this 1770s map as the northernmost island in the harbor, west of New York
